Emergency Boarding Kennel or Cattery fees **R697.00** per annum at a maximum tariff rate of **R 50.00** per day

**Solver Pet Medical Aid** will pay for essential boarding kennel or cattery fees for each insured pet, incurred as a result of the policy holder (owner of the insured pet/s) being hospitalized for a period of not less than 4 (four) days, resulting from an accident or illness occurring during the period of insurance, provided that any such illness is not known or foreseeable prior to the commencement of insurance.

This benefit is payable on submission of the following documentation detailing dates and expenses incurred.

- The policy holder's hospital account confirming the stay in hospital
- Receipted accounts from the kennel or cattery

This benefit does not include claims relating to pregnancy and cosmetic surgery of the policy holder (owner). This benefit does not provide cover for any condition suffered by the insured pet.

## Excess deductible per claim and benefit percentage

The excess deductible per claim is per date of treatment and the excess amount is as per the option selected.

Similarly, the benefit percentage applied is as per the option selected.

**NO EXCESS DEDUCTIBLE ON ROUTINE CARE CLAIMS**

## Routine Care Cover **R350 per annum**

The overall annual benefit may be utilized for any one specified treatment or any combination until the overall maximum is reached for the policy year. Benefits may be utilized towards any of the following specified treatments, if rendered and provided by a registered veterinarian:

- \* Annual vaccinations - (injection fee, materials and drugs)
- \* Deworming drugs - (prescribed and purchased from the vet)
- \* Flea control drugs - (e.g. Frontline, Promeris, Program, etc)
- \* Dental scaling / polishing - (procedure only)
- \* Sterilization

## Waiting Period

You may claim for conditions which arise one calendar month or longer after the inception date (start date) of your policy.
